1965 B&CR Editorial Index

A

A look at polyurethane for clay pipe joints ..... Nov. 52
Are credit unions for my company? ..... Jan. 99
Are 4" brick walls practical? .. Aug. 44
Are your fork-truck drivers only "half-professional"? ..... Oct. 80
Australia: A dramatic story of clay products growth ..... Dec. 56
Autoclaymation '66', pictorial review of new products for automating the heavy clay industry ..... Sept. 39
Automatic setting with the Lingl machine ..... Nov. 32
Automation in material flow aided by hoppers and feeders ..... Sept. 68
Automation in the production of Lightweight-aggregate ..... Sept. 70

B

Blast furnace refractories improved ..... July 42
BRICK & CLAY RECORD'S Equipment, Systems, & Design .... Oct. 33
BRICK & CLAY RECORD'S directory of available literature ..... Sept. 54
BRICK & CLAY RECORD'S exhibit in print ..... April 57
Brickor: Model of progress and diversification ..... Dec. 60

C

Clay Modifiers, 1965 ..... Feb. 41

Clay Pipe:

A look at polyurethane for clay pipe joints ..... Nov. 52
Dickey Pipe opens new research center ..... Nov. 43
Nine miles of pipe in urban development ..... May 44
Complete line produced at Cia. Refractarios, A. P. Green, S.A. Dec. 50

Construction:

Are 4" brick walls practical? Aug. 44
Pennley Park—A new approach to load-bearing walls .... April 70
The machine that made brick panels possible—Part I .... March 30
The machine that made brick panels possible—Part II ..... May 42
The rebirth of brick and tile as structural materials ..... April 74

D

Dickey Pipe opens new research center ..... Nov. 43
Disposable paper dunnage bags prove successful ..... May 50

E

Editorials:

A changing industry ..... Sept. 13
Break through the pipe plateau ..... Oct. 15
Don't wait to improve ..... June 15
Is high alumina refractories limited? ..... March 13
Know your product—know your market! ..... Nov. 15
Let's run with the ball ..... April 15
Playing for high stakes ..... Aug. 9
Shooting for the moon ..... July 17
The big gamble. Or is it? ... Feb. 33
The deb that made good—Let's take another look at allowance ..... Jan. 41
What do you pay plant executives? ..... May 13
World growth and expansion Dec. 39

F

Firing

New concept: The four-zoned tunnel kiln ..... July 32
Propane system solves standby fuel problem at Burns Brick ..... March 38
The stability of Mn in light burning clay ..... March 42
The traveling thermocouple—a valuable tool in operating a tunnel kiln ..... July 48
Trends in fast firing and high temperature kilns ..... June 46
Fly Ash: Now meets lightweight-aggregate specifications ..... April 78

Forming:

Laminations eliminated by new method ..... June 56

H

Hereford Brick Co. (Texas) replaces production line in 8 days and adds new kiln ..... April 84
How and why brick colorants work ..... Aug. 40
How to analyze operating costs ..... April 86
How to operate in big markets . May 46
How to stop spillage on conveyor belts ..... March 34

I

Industry Forecast—Fiscal year 1966: Another record year ..... June 37

L

Laminations eliminated by new method ..... June 56
Leaders of the coup ..... Jan. 76

Lightweight aggregate:

Automation in the production of Lightweight-aggregate ... Sept. 70
Fly Ash: Now meets lightweight-aggregate specifications .. April 78
Lower screening and grinding costs ..... Jan. 21

M

Meetings:

Bonebrake stresses need for more industry press coverage ... June 64
Bonebrake to become ACS president at 67th annual meeting .. April 48
B&CR features Data Center & Products display at annual ACS Meeting in Philadelphia April 46
ECSA name changed at Chicago meeting—LAPA takes a bow Sept. 75
Furnace maintenance, improved refractories topics at Open Hearth session ..... June 60
Load-bearing conference opens new vistas ..... July 42
NAHB show display a success for SCPI ..... Jan. 82
NCPI encourages abating water polution ..... June 62
Optimism hovers over ECSA Meeting ..... March 48
Plant tours a highlight of TRI Meeting ..... June 61
St. Louis Symposium stresses information to applied research ..... May 56
Sea Island meeting predicts good year for '65 ..... July 45
TRI advises industry to accelerated R&D ..... Aug. 32

Mexico:

Complete line produced at Cia. Refractarios, A. P. Green, S.A. ..... Dec. 50

Mexico:

Complete line produced at Cia. Refractarios, A. P. Green, S.A. ..... Dec. 50

Major renovation heavy at Cia. Mexicana de tubos de Albanal ..... Dec. 52
Mexico's ceramic demands outpaces supply ..... Dec. 40
Preheating clay products increases kiln output 20% ..... Dec. 44
"Minute Money Makers"—Information that will aid the manufacturer in keeping expenditures to a minimum ..... April 50
Mixing and grinding:
How and why brick colorants work ..... Aug. 40
Lower screening and grinding costs ..... Jan. 21
The common sense approach to screening and grinding costs—Part III ..... July 46
The common sense approach to screening and grinding costs—Part IV ..... Sept. 72
Molders of the revolution ..... Jan. 66

N

New concept: The four-zoned tunnel kiln ..... July 32
Newest Florida Brick plant now in operation ..... Nov. 38
Nine miles of pipe in urban development ..... May 44

P

Packaging
Why General Shale went to packaged brick ..... Feb. 34
Pennley Park—A new approach to load-bearing walls ..... April 70
Plant stories:
Boren Clay Products Co. ..... Oct. 54
Brick Corporation of South Africa, Ltd. ..... Dec. 60
Broad River Brick ..... Oct. 56
Burns Brick Co. ..... Oct. 36
Carolina Ceramics, Inc. ..... Oct. 43
Chattahoochee Brick ..... Oct. 44
Cherokee Brick & Tile ..... Oct. 51
Columbia Brick & Tile ..... Oct. 50
Dorchester Ceramics ..... May 48
Edgar Brick Co. ..... Nov. 38
General Shale Products ..... Oct. 34
Hereford Brick Co. ..... April 84
Hydraulic Press Brick Co. ..... Nov. 46
Jenkins Brick ..... Oct. 51
Kendrick Brick & Tile ..... Oct. 55
Moland-Drysdale Corp. ..... Oct. 43
Pine Hall Brick & Pipe Co. ..... Oct. 49
Pomona Pipe Co. ..... Oct. 50
Southern Brick Co. ..... Oct. 42
Stevens Div., A. P. Green Fire Brick Co. ..... Oct. 49
Triangle Brick Co. ..... Oct. 48
Preheating clay products increases kiln output 20% ..... Dec. 44
Profit in small production ..... May 48
Propane system solves standby fuel problem at Burns Brick ..... March 38

R

Refractories:
Blast furnace refractories improved ..... July 42
Complete line produced at Cia. Refractarios, A. P. Green, S.A. ..... Dec. 50
Leaders of the coup ..... Jan. 76
Molders of the revolution ..... Jan. 66
Refractory Clays: Their mineralogy and chemistry ..... Feb. 36
Research at General Refractories pays off ..... Nov. 50
Revolution in refractories ..... Jan. 51
The insatiable hunger ..... Jan. 55
The inside story of modern rotary kilns ..... May 37
The new breed ..... Jan. 52
Rewriting clay products history in Europe ..... Dec. 64

S

SCPI:
SCPI convention goal: increase unity ..... Jan. 86
SCPI gears-up for load-bearing promotion ..... Oct. 64
Shipping and handling:
Automatic setting with the Lingl machine ..... Nov. 32
Disposable paper dunnage bags prove successful ..... May 50
Set 15,000 brick per hour and still maintain flexibility ..... Sept. 52
Setting brick mechanically—a reality ..... Oct. 60
Total automation: from pugmill to package ..... Aug. 36
Shales fines reclaimed at L-W aggregate plant ..... Nov. 46
Stenciling method saves Grefco dollars ..... Aug. 56

T

The common sense approach to screening and grinding costs—Part III ..... July 46
The common sense approach to screening and grinding costs—Part IV ..... Sept. 72
The insatiable hunger ..... Jan. 55
The inside story of modern rotary kilns ..... May 37
The machine that made brick panels possible—Part I ..... March 30
The machine that made brick panels possible—Part II ..... May 42
The new breed ..... Jan. 52
The rebirth of brick and tile as structural materials ..... April 74
The stability of Mn in light burning clay ..... March 42
The traveling thermocouple—a valuable tool in operating a tunnel kiln ..... July 48
Total automation: from pugmill to package ..... Aug. 36
Trends in fast firing and high temperature kilns ..... June 46

U

USSR leads in sand lime brick production ..... Oct. 66

W

Why General Shale went to packaged brick ..... Feb. 34

Authors

Allen, M. H. ..... April 74
